

Classroom Select® Vigor® Utility Table

LockEdge® for
cleanliness and
durability

This versatile heavy-duty utility table is perfect for project learning environments; especially STEAM/STEM, Art, Science, and Robotic classrooms. The durable unitized frame is black powder coat with a solid steel apron providing the ultimate strength and support for any project.

FEATURES

- Fully welded steel frame for extreme durability
- Available in 32 high pressure laminate color choices, including dry erase marker-board
- Choose from 7 different table top shapes: Rectangle, Round, Square, Trapezoid, Kidney, Horseshoe or Clover
- Choice of 2" Square or Round tube adjustable legs, covered in a durable powdercoat
- Durable sprayed polyurethane LockEdge®
- Easy to clean laminate tops with soap, water, and an optional diluted bleach solution

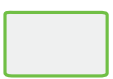

SPECIFICATIONS

CONSTRUCTION

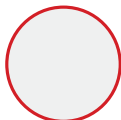

- Vinyl T-Mold edge is available in 22 different color options on 1 1/8" particleboard
- LockEdge® is a sprayed on polyurethane edge on a 1 1/8" MDF core topped with a durable high-pressure laminate and phenolic resin back
- LockEdge® polyurethane coating is sprayed directly on to table edge surfaces, creating a permanent seal that is impervious to bacteria and moisture for easier maintenance and long-lasting durability
- Choose from 14-gauge 2" square legs or 2" round legs both adjustable from 29" to 42" in height
- The durable unitized frame is black powder coat with a solid steel apron providing the ultimate strength and support for any project
- An easy connect leg attachment uses two phillips locking bolts for added stability
- Vinyl T-mold edge banding is secured using a spot-nail from the bottom to prevent it from pulling away from the edge
- Internal gripping swivel nylon glides have a raised radius inner dome to ensure alignment, glides have no cuff or color to collect dirt build up
- High-Pressure Laminate is made up of a wear-resistant overlay, that is impact-resistant
- High-Pressure Laminate offers long-lasting function and performance
