**CALIFONE**

**WHEN YOU ADD IT UP, THE RESULT IS CLEAR:  
BETTER PRODUCTS. BETTER PRICES. BETTER HURRY!**

Califone headphones and headsets are built to stand up to the rigors of active classrooms. Built from rugged and durable materials and designed to withstand abuse, the result is products that outlast and outperform other alternatives.

Choosing Califone eliminates the need to have a large backup inventory to replace normal attrition. Our institutional 3-year warranty ensures that Califone will stand behind you where consumer brands will not. All things considered, you'll spend less when you choose Califone.

Plus, Califone's products meet speaking, listening and language development ELA standards, so they're the natural choice for your school.

Choose Califone to provide proven audio technology for your classroom audio needs.

**DESIGNED TO MEET THE HIGHEST STANDARDS ... YOURS.**

- Rugged headphones with adjustable sizes designed for students of all ages – from K-5 to teens.
- Made from durable ABS plastic that won't shatter - helps keep kids safe
- Compliant with assessment testing standards
- Limitless choices: mono/stereo, volume control, cord styles, connectors
- Compatible with popular classroom devices including desktop/laptop computers, Chromebooks, iPads, tablets & smart phones
- Ambient noise-reducing earcups, with replaceable foam-filled ear cushions
- Includes industry-leading warranties
- Great pricing from School Specialty maximizes your savings
