

Sport Stacking with Speed Stacks: See It, Believe It, Teach It!

Are you looking for a new sport that engages and excites your students? Do you find it challenging to get all students motivated and engaged? Would you like to offer a sport that not only challenges your student physically, but academically as well? What if there was a sport that could level the playing field for athletes and non-athletes alike? What if Sport Stacking could offer all this and more? Read more on how the dynamic sport of Sport Stacking can enhance the growth of your student...

Welcome to Sport Stacking! Our Sport Stacking curriculum and programs, which features over 20 games and activities, are grounded in research-verified strategies to enhance your student's physical fitness and mental attributes. These strategies promote self-esteem, teamwork and personal growth; establish the competition-cooperation link and enhance students' participation and ownership in the learning-teaching process. Collectively, these strategies create a genuine, fun and exciting new sport to bring to the table.

A Special Day at your School or District:

Sport Stacking with Speed Stacks: See It, Believe It, Teach It is a half-day, on-site workshop hosted at YOUR facility. This active, engaging and practical workshop will showcase a wide variety of research-verified strategies, instructional materials and tools needed so that you can incorporate Sport Stacking into your program today.

Program Objectives/Outcomes – participants will:

- Identify strategies to make Sport Stacking relevant, inclusive and enjoyable for all students
- Explain the benefits of Sport Stacking and competition for students and teachers in PE
- Engage in sample games and activities that illustrate strategies for making Sport Stacking fun and exciting
- Develop an action plan for implementing and assessing Sport Stacking programs into your PE plan

Essentials:

- Days, and start/stop times are flexible; what's best for your staff and district?
- 3 hours of "hands-on" instruction segmented by am/pm breaks and lunch (host facilitated)
- Maximum of 40 participants for safety and to ensure adequate equipment for all
- Can be elementary or secondary focused activities

Attendees Receive (FREE):

- Certificate of Completion (awarded end of day to those present)
- Post workshop consultation via phone and email
- Access to e-Newsletter, monthly webinars, and social media opportunities with other physical educators
- Raffle prizes and/or giveaways
