

Academic Achievement Accomplished: 21st Century Learning in Physical Education

As a physical educator, you've probably heard of 21st Century Learning and are wondering,

“What does this mean for my students – and me?”

Today more than ever, teachers are being held accountable to prove their students are learning. The demand on teachers, administrators, and schools to deliver data driven results is a challenge facing everyone. This **practical and ACTIVE** training will prepare and motivate K-12 physical educators to not only embrace 21st Century Learning, but to THRIVE!

A Special Day at your School or District:

Academic Achievement Accomplished is a full day, on-site workshop hosted at YOUR facility that will examine 21st Century Learning and the Common Core State Standards Initiative (if applicable) through the eyes of a K-12 physical education teacher. Attendees will learn physical education specific lesson structures that optimize learning **AND** MVPA while making administrators smile; then leave with access to free lesson plans, a complete handout packet, and assessment tools you'll want to use with your students tomorrow!

Program Objectives/Outcomes – participants will:

- Define and explain how physical activity correlates to students' academic performance
- Draw alignments between physical education content and 21st Century Learning
- Create Lessons that maximize physical activity time (MVPA) while addressing academic standards
- Assess student learning using a variety of evaluation tools and techniques
- Generate evidence of student learning using formative and summative assessments

Essentials:

- Days, and start/stop times are **flexible**; what's best for your staff and district?
- 6 hours of “hands-on” instruction segmented by am/pm breaks and lunch (host facilitated)
- **Maximum of 40** for safety and to ensure adequate equipment for all

Attendees Receive (FREE):

- Certificate of Completion (awarded end of day to those present)
- Post workshop consultation via phone and email
- Access to e-Newsletter, monthly webinars, and social media opportunities with other physical educators
- Raffle prizes and/or giveaways
